EWA | 
EUROPEAN WATER ASSOCIATION

The European Water Association

Independent non-governmental and non-profit organisation dealing with the management and improvement of the water environment.

Members from nearly all European Countries : National Members, Corporate Members and Research Members.

Provide a forum for the discussion of key technical and policy issues in Europe.

Conferences, workshops, meetings, special working groups of experts and through publications and media.

Our Objectives

- Sustainable management of the total water cycle
- Exchange of knowledge and expertise, providing a forum for the discussion of key technical, scientific and policy issues
- Promote the advancement and adoption of integrated water management
- Seek to influence the European water agenda
- Support activities of the National Associations
- Advance common interests of members
